FOR IMMEDIATE RELEASE:

Emergency repairs on US 41 north of Lake Butte des Morts completed

Southbound traffic lane reopened

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region Office in Green Bay is announcing all traffic lanes are again open on US 41 southbound in Winnebago County, north of Lake Butte des Morts.

A large pothole developed overnight in temporary pavement in the right southbound lane. The pavement failure forced the need for emergency repairs and the closure of the right southbound lane, from Snell Road to the north bridge of the Lake Butte des Morts Causeway, at 8:45 this morning.

A section of pavement 6 feet wide by 15 feet long was repaired. Moisture from recent snow and rain is being blamed for the incident. The traffic lane reopened at approximately 12:15 p.m.
